...to serve as an evaluator at Michigan FCCLA's annual State Leadership Conference. This event is the highlight of the year for more than 600 members, advisers, alumni and community leaders.

Several exciting and career oriented sessions are planned for the participants. The highlights of the conference include the election of state officers, social and professional opportunities for the participants, and most importantly, the program of competitive events. Students will compete at this conference for the right to compete at FCCLA's National Leadership Conference.

As an evaluator, you will have the opportunity to participate in all of our activities at the Leadership Conference, but more importantly - to see FCCLA members in action. Your role as an evaluator, with your invaluable experiences, is vital to the success of not only this conference, but to FCCLA and family and consumer sciences, teacher preparation and early childhood education as a whole.

FCCLA's members, advisers, alumni and staff thank you in advance for taking the time from your busy schedule to participate at this conference. **We are confident that you will enjoy the experience of evaluating at Michigan FCCLA's State Leadership Conference.**

What does an Evaluator Do?

Michigan FCCLA's events include both individual and team categories for students in middle and high school. These events focus on families, careers and communities. Evaluators are asked to help decide which projects will receive a gold, silver or bronze rating by observing and interacting with the students participating.

FCCLA events range from impromptu case study situations, chapter project presentations, job interviewing skills to scrapbooks and public speaking. Take this opportunity to see Michigan's finest compete for recognition at Michigan FCCLA's State Leadership Conference. You won't regret it!
