

# State Community Service Activity

---

This year's State Community Service Activity is being tied in with the national FCCLA program, Career Connection.

Career Connection helps members learn more about themselves, the workplace, and careers so that they can put themselves on the pathway to future success. The projects that members conduct around Career Connection units will give them the confidence to face the thousands of overwhelming options that come with future career decisions.

## Career Connection offers four units:

- My Skills - Members learn about themselves and practice being productive, promotable employees as they link their personal interests, skills, and goals to careers.
- My Life - Members learn to manage interconnected roles in careers, families, and communities by exploring choices and skills that help balance these roles.
- My Career - Members gain a better understanding of work and learn how to find and land a job.
- My Path - Members identify steps they can take to reach career and lifestyle goals.

## For the Michigan FCCLA State Community Service Activity, a chapter must complete:

- One activity in any unit to receive the Bronze award
- Two activities in any unit to receive the Silver award
- Three activities in any unit to receive the Gold award
